PRINCIPALS' MESSAGE:

BY C. BORTOLUSSI

Well, another school year is coming to an end. We have had a very successful year this year with respect to learning and focusing on community integration.

Tips for the summer -

Spend some time together reading a book on a quiet evening, my suggestion is to pick a picture book and look through the pictures makes guesses of what you think is happening or going to happen. Read the story if you want to and try to come up with another creative ending that is wild and creative ending. When you go for a walk, pick and object and make up a story about that object as you continue your walk, add in other object to make it funny and humorous, your kids will thank you for it when they are older.

PRINCIPAL'S MESSAGE CONTINUED:

BY C. BORTOLUSSI

Next year the school will be working on Inquiry with the redesigned curriculum (particularly Indigenous education and inclusion) the core competencies and communication learning with reporting and assessment. Including Parents in assessment practices and making learning visible are continued to be looked at as student learning and engagement are important aspects of future educational goals. This upcoming year will bring another set of challenges that we are excited about bringing learning to a higher level for the students of our community. Once again, I appreciate the kindness and invitation of being part of your community. It is inspiring to see people work so hard for the betterment of the youth in our community, with that remember that "Together Everyone Accomplishes More" TEAM

Sincerely,
Claudio Bortolussi

Denman Street and along Beach Ave before ending by Sunset Beach. Staff, students, and families are invited to participate by either walking with the Burnaby School District float or cheering us along the parade route. Staging time and location, along with some reminders of what to bring (i.e. water and sunscreen) will be posted on the district website at <https://burnabyschools.ca/> the third week of July. Please check there for when and where to join us on August 5th.”

ARE YOU LEAVING CHAFFEY-BURKE NEXT YEAR?

PLEASE LET US KNOW!

If your child will be leaving our school community, please contact the school office to inform us about your anticipated move. This will help the staff to better plan for September 2018.

The school is closed and the registration is not available during summer.

If you know of any school aged children in your neighbourhood who intend on joining us at Chaffey-Burke, please let their parents know that registration will resume on August 28th 2018.

School Supplies by Creative Packs

Save time & effort by pre-ordering a school supply package for your child for the 2018/19 school year. A portion of the proceeds will benefit our Chaffey-Burke PAC! The list of required supplies has been prepared by our teachers (Note these are different for different grades). Pre-ordering from Creativepacks.ca is optional - you may choose to purchase your own supplies and bring them from home. The same list of required supplies will be available on the school website at the end of June (www.chaffeyburke.sd41.bc.ca).

Note: the deadline for orders to be shipped to the school in September, has passed. However, you can still order online from Creativepacks.ca anytime before August 21, and your order will be shipped directly to your home. There will be \$6 shipping.

Thank you for your support,
Chaffey-Burke PAC

Kids Plus™ Accident Insurance

Our school board is offering you the opportunity to voluntarily purchase student accident insurance through the Kids Plus™ Accident Insurance program, underwritten by Industrial Alliance Insurance and Financial Services Inc. (iA Financial Group).

Kids Plus™ Accident Insurance provides protection against unexpected costs arising from accidental injuries. The program is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

Kids Plus™ Accident Insurance has a selection of plans to suit most budgets. Benefits include coverage for:

- The full school year (September to September), 24 hours a day, while at home and in school;
- Expenses that are often limited or not covered by private or group insurance plans, or Provincial Health Insurance Plans, such as ambulance, physiotherapy, private tutoring, counselling, and much more;
- Injury-related dental treatment (including future dental treatment up to age 26);
- Out-of-province or country emergency medical expenses.

If your address changes during the school year, your Kids Plus™ Accident Insurance plan is transferable from school to school, anywhere in Canada.

Insurance premiums for children are \$14.50 or \$33.50 per year, depending on the plan selected. A discount is available for families with 3 or more children. Adults age 20 to 64 can also be insured for \$32.00 per year.

For more information or to apply online, please visit kidsplus.ca, or speak with a Kids Plus™ Client Service Administrator at **1-800-556-7411**.
