Hello Chaffey-Burke!

Please remember that today, Friday October 23rd is the Provincial Professional Development Day. The staff will be working on a variety of different activities and workshops virtually.

It is great to see so much great work up on the bulletin boards in the hallway displaying the learning going on in classrooms. The kids are doing amazing work during this different school year.

Thank you to all the families and extended families who have taken the time to donate to our annual Terry Fox Foundation Run. This year we have been running as classes and tracking our mileage across Canada. We are almost at Thunder Bay and hope to meet our school goal of reaching there by October 30th. We will continue to track kilometers run until we hit Victoria. With your generous donations, we have broken the \$3200 mark which is amazing. If you have not yet had time to donate or would still like to make a donation, you can do so using the link provided. <https://terryfox.org/schoolrun/>

We have had some progress in the installation of our new inclusive playground. Over the next few weeks, we can expect to see district staff out preparing the site and getting ready to install the new playground. As progress moves along, I will continue to share updates and a timeline for completion.

Have a wonderful weekend,
Bruce
